### **DETAILED ACTION**

1. Applicant's Amendment filed 07/26/2005 has been reviewed and placed of record in the file.

#### ***Allowable Subject Matter***

2. Claims 1-4, 6-9, 12-14, and 16 are allowable over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or render obvious an array printed circuit board with all exclusive limitations as recited in claims 1 and 12, comprising a plurality of circuit boards including at least one circuit board, the at least one circuit board having either a first surface or a front surface and a rear surface, the first surface comprising a first half and a second half, the first half or the first surface having a first pattern of first and second chip mounting regions, the second half or the rear surface having a second pattern of first and second chip mounting regions, the plurality of circuit boards being sequentially connected to one another in a direction perpendicular to a direction in which the first and second chip mounting regions arrayed on each circuit board, and the first pattern being opposite to the second pattern.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
